

Prashuk Jain

Web Lead IEEE CIS LPU | Front-End Web Developer | Upcoming Full-stack MERN Developer | Passionate about Competitive Programming

I am a Third-year engineering student at Lovely Professional University in Punjab, I am deeply passionate about pursuing a career as a full-stack developer . I'm also fascinated by playing around with data structures and algorithms, which are like puzzles to me . I am eager to absorb all the knowledge and skills I can in this dynamic field and apply them to real-world projects. In addition, I value teamwork and am highly sociable, making me a strong asset to any team.

EDUCATION

B.Tech in Computer Science And Engineering

Lovely Professional University

09/2021 - Present, current cgpa - 7.4

XII - CBSE

Shri kanwartara public Hr. sec School

05/2020 - 05/2021,

WORK EXPERIENCE

Web Lead IEEE CIS LPU

IEEE

06/2023 - Present,

IEEE CIS LPU Student Chapter is a student-run organization that aims to promote the field of Computational Intelligence and its applications.

Achievements/Tasks

- Spearheaded numerous successful web initiatives,
- Connect vibrant coding community through workshops and competitions
- Fostering a collaborative work environment

Campus superhero

Coding Blocks

06/2022 - 07/2023,

Achievements/Tasks

- Empowering students through coding mentorship and guidance
- Building a vibrant coding community through workshops and competitions
- Leading a team of like-minded individuals and collaborating with faculty members and student organizations to drive innovation and foster teamwork

SKILLS

Data Structure & algorithm

Languages: c++ (Primary), python, JavaScript

Web Development : HTML , CSS , Tailwind , Bootstrap , JavaScript , React , Angular , Node js , Express , web

Graphic Design: Adobe Photoshop, Figma, Canva

Additional: Git & GitHub

PROJECTS

IEEE CIS LPU Website (06/2023 - Present)

- Developed a website for the IEEE CIS LPU chapter in my role as the web lead. The purpose of this website is to highlight information about the chapter and its various events.
- Link: www.ieeecislpu.tech

Js Minds (03/2023 - Present)

- Interactive Beginner's Guide to JavaScript with HTML, CSS, and JS. Learn through hands-on code examples, clear explanations, and useful references.
- Link: <https://js-minds-gvrc6unjx-jainprashuk.vercel.app/>

React Minds (1/2023 - Present)

- Explore a hands-on beginner's guide to React, incorporating HTML, CSS, Angular, and Bootstrap. Discover React through practical code samples, lucid explanations, and valuable reference materials
- Link: <https://react-minds.vercel.app/>

CERTIFICATES

IEEE Membership certificate (06/2023 - Present)

Certificate provided by IEEE as student member

Full Stack Development with React & Node JS - Live (06/2023 - Present)

Certificate provided by GFG on completing the course Full Stack Development with React & Node JS - Live

Learn C++ Programming -Beginner to Advance- Deep Dive in C++ (07/2022 - Present)

Completion certificate of the course taught by Abdul Bari sir

About the Course: Git & GitHub Master Course (2022) (10/2022 - Present)

Completion certificate of the course taught by Abdul Bari sir
